

## Caesar Salad

- 1 large head Romaine lettuce
- 1 cup shaved or shredded Parmesan cheese
- 1 garlic clove
- Homemade Croutons
- Caesar Salad dressing

Rub the plates you will use with a peeled garlic clove.

Separate the leaves of the Romaine lettuce. Wash and dry well. You can break them up if you would like but it is not necessary to do so.

Place the Romaine leaves into a bowl and coat well with the dressing. Serve the leaves on a plate with shaved or shredded Parmesan cheese and homemade croutons.

You can also serve this with grilled chicken or garlic shrimp.
